

## Comment puis-je changer la langue de l'interface ?

Matthew WRAY - 2024-10-29 - Going further

Vous avez la possibilité de mettre l'interface en anglais ou en français.

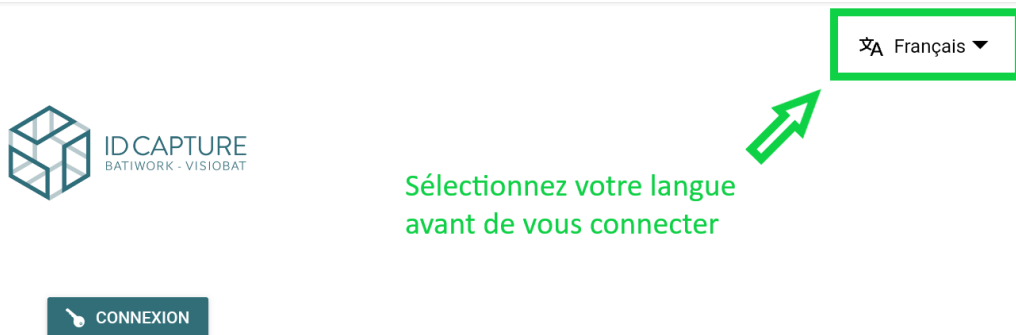

### Sur l'interface web :

The screenshot shows the IDCAPTURE web interface. At the top left is the logo: a 3D cube icon followed by "IDCAPTURE" and "BATIWORK - VISIOBAT" below it. Below the logo is the text "Se connecter avec un compte ID Capture". There are two input fields: "Login" and "Mot de passe" (with an eye icon for toggling visibility). Below these is a dark teal button with a key icon and the text "CONNEXION". Underneath is a link: "Identifiants (login ou mot de passe) oubliés ?". In the center, there is a horizontal line with "OU" in the middle. Below that is the text "Se connecter avec un compte d'entreprise" and another "CONNEXION" button. At the bottom left, there is contact information: "support@idcapture.fr – 09.72.45.56.39" and "© 2011-2022, ID Capture SAS". On the right side of the screenshot, a green arrow points to a language selection dropdown menu in the top right corner. The dropdown is highlighted with a green box and shows a flag icon and the text "Français".

### Sur tablette iOS :

The screenshot shows the IDCAPTURE iOS app interface. At the top left is the logo: a 3D cube icon followed by "IDCAPTURE" and "BATIWORK - VISIOBAT" below it. Below the logo is a dark teal button with a key icon and the text "CONNEXION". On the right side of the screenshot, a green arrow points to a language selection dropdown menu in the top right corner. The dropdown is highlighted with a green box and shows a flag icon and the text "Français" with a downward arrow.
